

About Pinetec

Pinetec manufactures and supplies an extensive range of timber pallets and packaging products to meet industry demands. Our business combines comprehensive local knowledge with the experience, scale and infrastructure to be a respected industry specialist. Our technology, people and experience will add real value to your business.

Pinetec has one of the largest integrated pallet manufacturing and timber packaging operations in Western Australia. In addition to having this local presence Pinetec is affiliated with the Australian owned Rodpak group who own a national network of pallet and packaging operations.

PinetecTM

Pallet & Packaging Professionals |

From basic softwood and hardwood pallets to custom designed timber packaging for the mining and resource sector, Pinetec has been part of Western Australian industry since 1989.

Located in Bassendean, Western Australia our core business is providing comprehensive packaging solutions to address the needs of medium to large organisations that are involved in a diverse range of industries.

Pinetec's Bassendean operation has an extensive range of specialised manufacturing, sawing and treatment equipment relevant to all industry functions. This equipment includes drying kilns that provide an on-site capability to be an AQIS registered provider of ISPM15 products.

Pinetec also has a state of the art chemical treatment plant that allows our customers to be provided product that complies with local and interstate EHB and chemical treatment legislation.

Our experience and knowledge has evolved from partnering many of Western Australia's most prominent industry sectors to derive the maximum benefit from their packaging requirements by providing an improved outcome to manage their products to market both efficiently and effectively.

Getting your product around the corner or around the world is what we do. Don't risk your business continuity with any supplier. If you are not sure, let us apply our knowledge and technology to design and test what will work for your business.
